# What is the McLane Advantage?

## *Great Community*

.....

General McLane's community unity is one of the unique attributes that makes GM not only one of the best places to live in Erie County, PA, but it is a huge support for our schools.

## *Great Schools*

.....

In the General McLane School District, your child is more than a test score -- there are many dimensions to a child that need to be developed.

### ***Some of our Schools' Features:***

- Balanced Literacy Program geared toward YOUR child.
- Conceptual Mathematics where math is applied to the real world and students must apply critical thinking.
- Academy of Arts and Engineering, enhanced curriculum that gains GM students a competitive edge by offering training in the areas of Engineering, Medical Technology and Arts & Humanities.

## *Great Access*

.....

One of the unique features of the General McLane School District that makes it one of the best schools in Erie County, PA is access to many cultural, educational and recreational opportunities in and around Erie, PA. Within the district are two exits to Interstate 79 and one exit to Interstate 90. The Erie International Airport is available for air transportation. Residents can drive to downtown Pittsburgh, Cleveland and Buffalo in as little as 90 minutes.
